

JOB DESCRIPTION

AFTER-SCHOOL ACTIVITY LEADER

Job title	After-school activity leader.
Languages	French with good knowledge of English.
Job type	Part-time - 3-month fixed-term contract (subject to renewal).
Job location	Lab School Paris - Paris 11th arrondissement.
Starting date	September 2024.
Salary	15€ gross per hour depending on profile and experience.

Lab School Paris is an innovative, bilingual, supportive, secular and eco-responsible school. It supports children in acquiring the knowledge required by the French national education system (socle commun de l'Éducation nationale), as well as in all aspects of learning, to enable them to become responsible, enlightened, autonomous, supportive and fulfilled citizens. The Lab School's pedagogy is inspired by the contributions of pioneers in educational innovation, as well as current scientific research in the field of education.

The school is recruiting a french-speaking part-time activity leader with a good knowledge of English to provide lunch breaks and after-school care in elementary schools. Previous experience in extracurricular activities would be appreciated.

MISSIONS

Working closely with the management team, your main duties will be to look after the children at lunchtime, tidy up and clean up, then accompany them to the parks.

DESIRED PROFILE

- French-speaking activity leader with a good knowledge of English or bilingual.
- Taste for teamwork and interest in research.
- Creativity, responsiveness, initiative, open-mindedness, team spirit.
- Experience in working with children.
- BAFA diploma.
- Part-time position: maximum of 14 hours per school week.
- Exceptionally, due to administrative delays caused by the Olympic Games, we will only process applicants who are able to work in France (European passport or work permit in France).
