

JOB DESCRIPTION

ENGLISH A TEACHER

Job title	English A teacher
Levels	From 7th to 10th grades
Languages	Native English speaker with good knowledge of French
Job type	Part-time 89% (31h) - 10-month fixed-term contract
Teacher hours	Approximately 16 hours face-to-face per week
Work location	Lab School Paris - Paris and Montreuil campuses
Starting date	August 2025
Remuneration	Salary according to our salary scale and experience starting at €2500 gross per month
Experience	Minimum 2 years teaching experience required

Lab School Paris is an innovative, bilingual, community-based, secular school. In 2024-2025, it welcomed 122 students from the 1st to the 11th grade. Its pedagogy is inspired by the contributions of pioneers in educational innovation such as John Dewey, Célestin Freinet, Paulo Freire and Maria Montessori, as well as current research (educational sciences, psychology, sociology, cognitive sciences).

The school is recruiting a part-time teacher to teach English A (English taught by a native English speaker) in secondary school classes. Previous experience of 2 years teaching a secondary class is essential.

The teacher will work as part of an international team of French- and English-speaking school and college teachers, a collegial management team, a communications officer and an administrative manager.

MISSIONS

Working closely with other secondary school teachers and the management team, your main role will be to help implement the Lab School Paris pedagogical project by teaching English A to secondary school classes (from 7th to 10th grades).

SPECIFIC RESPONSIBILITIES

- Teach English in line with the school's values
- Participate in the school's interdisciplinary projects
- Develop a relationship of trust with students; work with them to value their successes and progress on a daily basis, and support them in acquiring autonomy through differentiated teaching methods.
- Interact with parents and Lab School Network researchers
- Participate in seminars and team meetings

PROFILE SOUGHT

- Knowledge of International Baccalaureate (IB) programs appreciated
- Native English-speaking teacher with good knowledge of French
- Taste for teamwork and interest in research
- Creativity, responsiveness, initiative, openness, team spirit
- Experience in the use of digital tools in the classroom
- At least two years' experience in tutoring a group of students (applications from people with only private tutoring experience will not be considered).
- Adherence to and commitment to the values of educational benevolence and the pedagogical project (see the school's website www.labschool.fr).
